d. Memorandum for Commanders, FORSCOM Installations from LTG Lawson W. Magruder III, Subject: Installation Sustainability Program, 9 July 2001.

2. PURPOSE. Fort Carson embraces sustainability as a partnership between our present and our future. We are committed to accomplishing all of today's missions in a way that will allow our successors to accomplish all of tomorrow's missions. In doing so, we pledge to constantly improve the ways we care for, save, replenish, and find new and better uses for all of the resources entrusted to us.

3. TO EXECUTE THIS POLICY, WE WILL

a. Recognize that sustainability is a responsibility of everyone at Fort Carson – soldiers, civilians, and family members.

b. Integrate sustainability into all Installation and garrison actions and decisions.

c. Continually improve our treatment of the environment as a major part of our sustainability program.

d. Work cooperatively with communities and agencies outside Fort Carson in recognition that achieving sustainability and environmental objectives and targets must be a common goal.

e. Establish, maintain, and regularly review for improvement detailed plans for carrying out our sustainability program.
